

正しく安全に走ろう！

# Enjoy your cycling safely

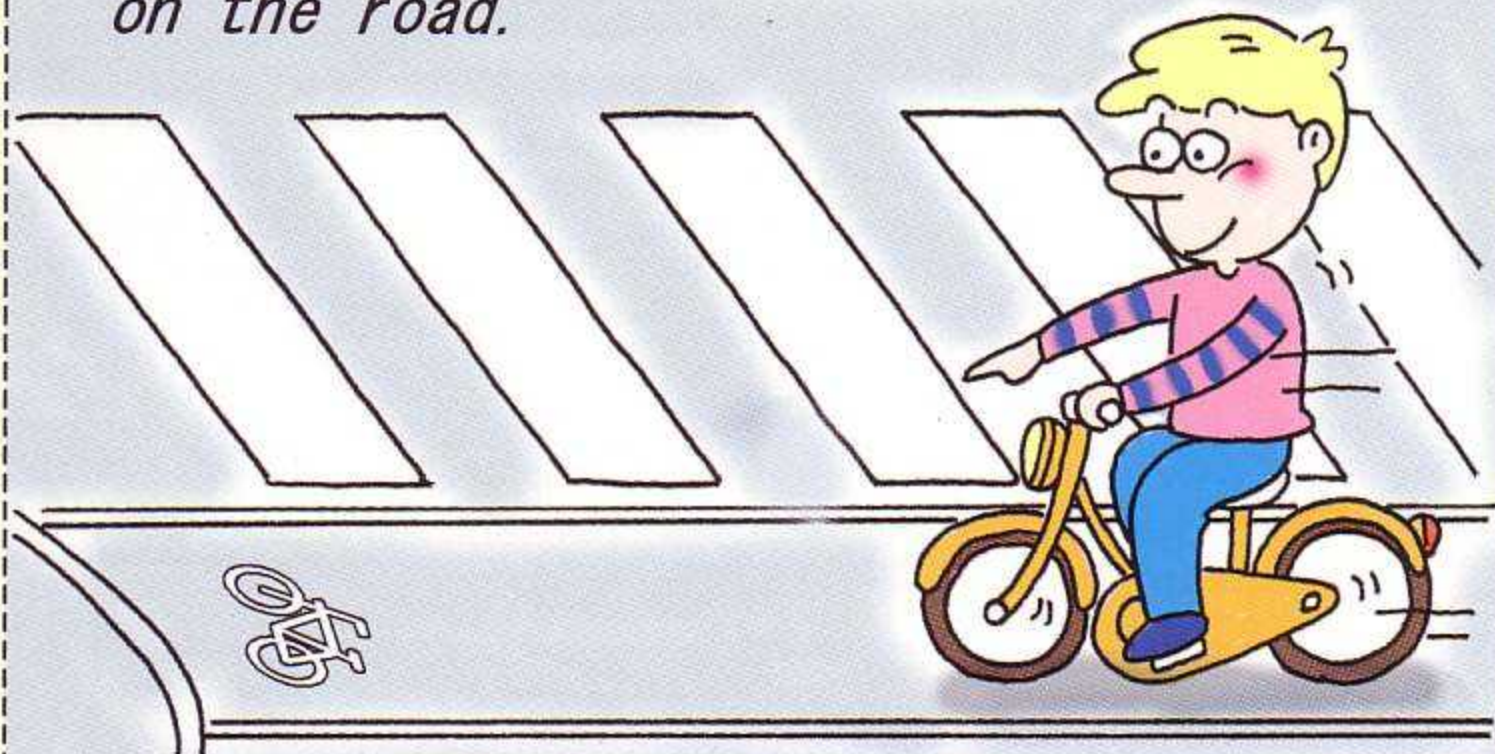

There has been a significant increase in the number of accidents involving bicycle riders. Study Japanese bicycle rules and manners as well.

## Bicycles regulations

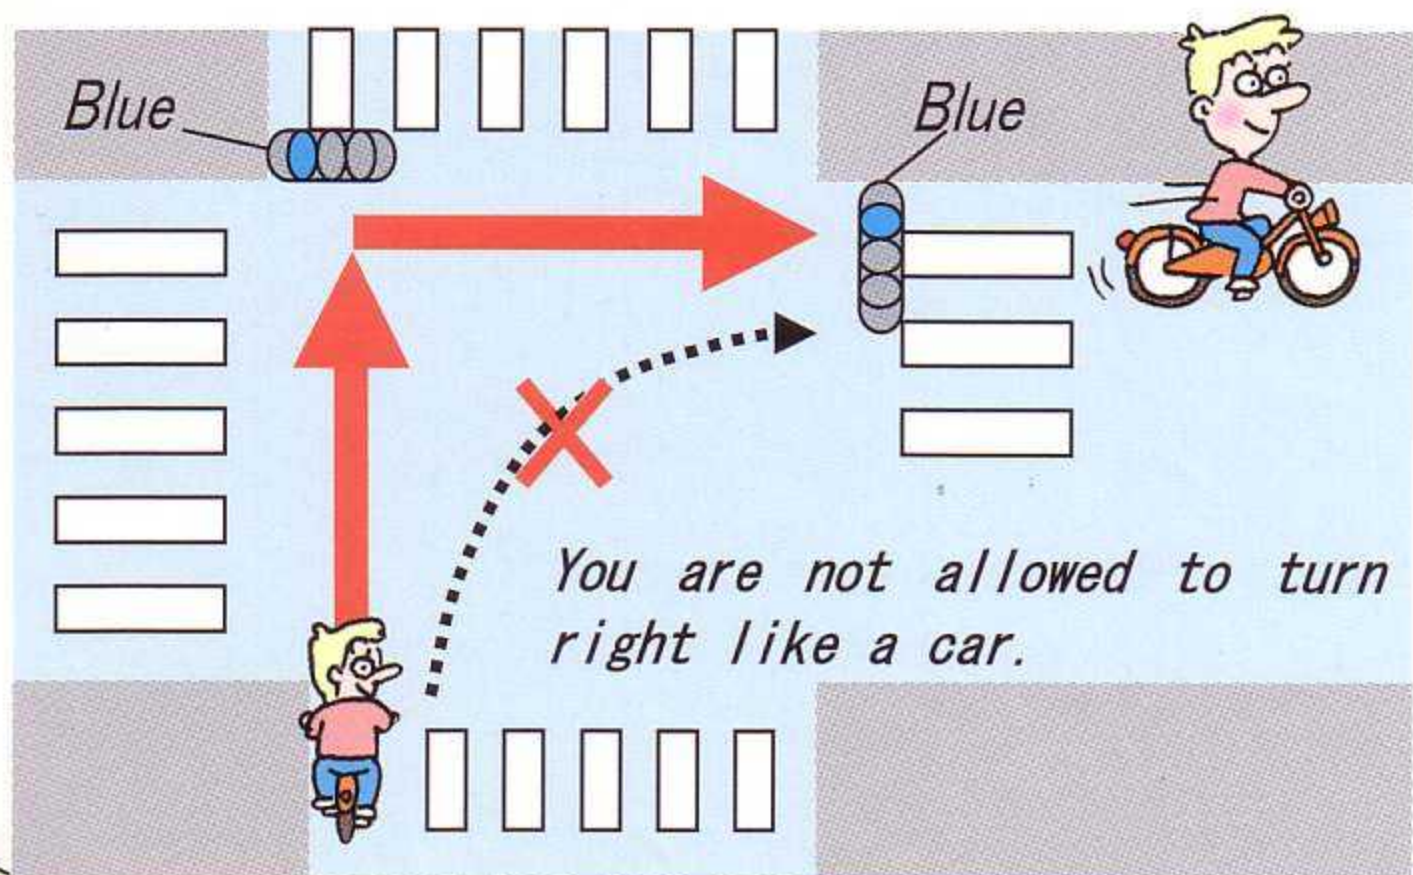

### 信号

#### Traffic light intersection

- Take the bicycle crossing zone marked on the road.

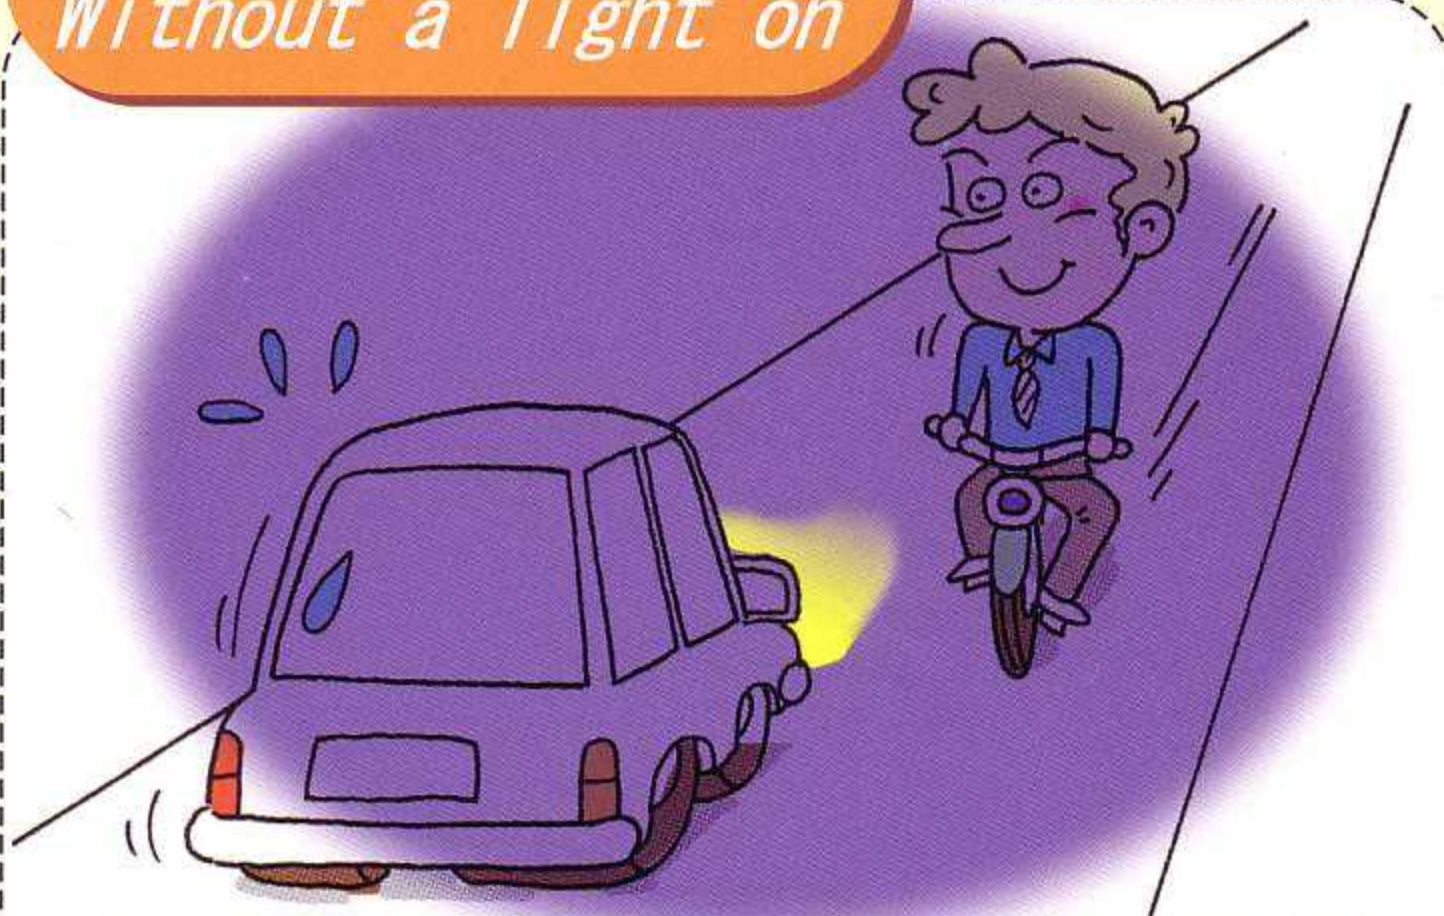

- Take two steps following each traffic light.

## Illegal riding

### 無灯火

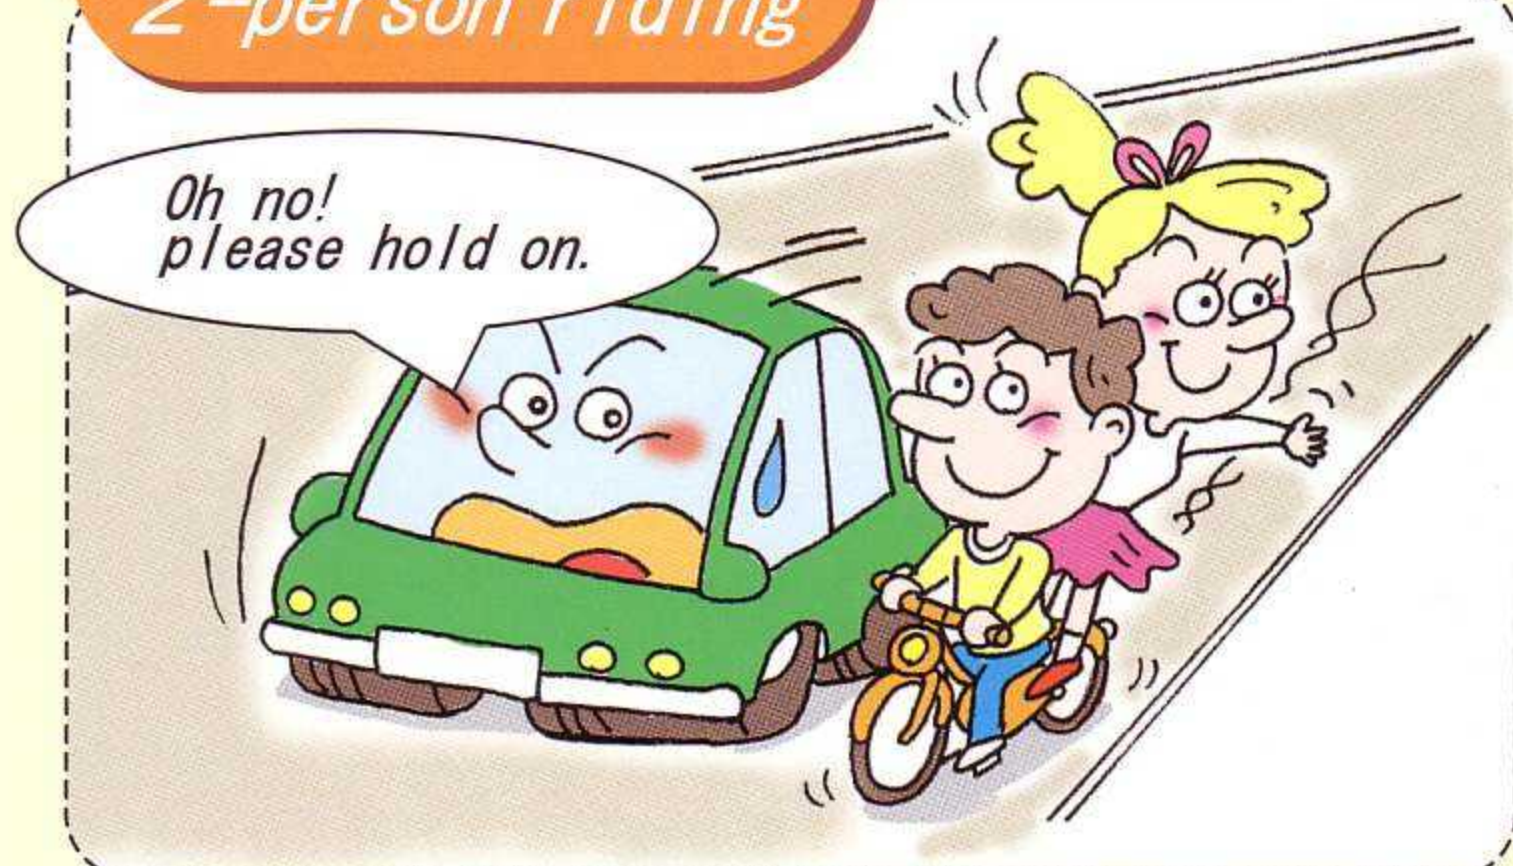

#### Without a light on

Your bicycles should be equipped with head lights for night use. Be sure you put on reflective tape.

### 二人乗り

#### 2-person riding

### 曲がり角での一時停止

#### At the corner with a stop sign

Make sure you are safe. Watch bikes and cars.

### 傘さし運転

#### Riding with holding umbrella
