Measures for a protection against theft while traveling

◆ Luggage Lifting

... means to steal your left luggage at the right moment of your sight.

● Be careful when

- you buy a train ticket or going to the bathroom.
- you are on train or bus.
- you check-in at a hotel or an inn.

Don't leave your luggage out of your sight,
keep your belongings at your own reach.

◆ Guest Room Targeting

... means to steal money and other personal items from a guest room of hotels, inns or others.

● Be careful when

- you leave the room for going out for a walk or meal.

Please lock the room!
Store your purse or other valuables in
the safe provided in the room!

When you become such a victim,
please call 110 or contact the nearest
police office or police box.
