# Kyoto Employment Support Center for International Students

りゅうがくせい しえん  
留学生支援  
センター

The Employment Support Center at "Kyoto Job Park", the comprehensive employment support facility, fully supports job hunting activities in Japan in collaboration with the Kyoto New Graduate Support "Hello Work".

When you have any problems or questions, such as how to write application documents, interview preparation, status of residence, etc., please feel free to contact us.

## individual consultation

- Installed a job search terminal exclusively for international students
- Worries and consultations regarding employment of international students (How to write a resume, correction of entry sheet, interview guidance, etc.)
- Consultation regarding changes or renewal of status of residence (visa) due to work

## Human resource development

- Overseas human resources employment training in the tourism industry
- Internships including paid internships in the tourism industry
- Short-term internship
- Seminar just before the start of job hunting

## Matching with companies

- Holding the largest international student job interview in the prefecture
- Employment agency for international students by pair support with new graduate support "Hello Work"
- Holding a mini company information session for international students
- Consultation for recruitment, employment, and retention of international students by a foreign employment management advisor (administrative scrivener)

Registration: you need to register "Kyoto International Student Support Center", at Kyoto Job Park.
